

ADVANCED CONVERSATION CLASS

<https://youtu.be/jYbUtX2Cl2U>

**1. Among other things, what the Ohio brothers needed to pursue their dream was**

- patience
- passion
- package

**2. The shop that the Wright brothers ran in Dayton**

- was later demolished
- is still standing
- is in the outskirts of the city

**3. Their first attempts with unmanned gliders stood in the air**

- less than a minute
- more than a minute
- just one minute

**4. In October 1905 Orville flew their hand-made plane for the longest time to date:**

- 29 minutes
- 5 minutes
- 39 minutes

**5. The Wright brothers' Model B Flyer was mass produced**

- and sold exclusively to the Army
- and about 100 were sold
- at a cost of 5000 dollars

**6. A replica of the Model B Flyer can be flown over Dayton**

- since 1992
- but it doesn't fly high
- but not many people can fly it

**7. Unlike the original, this replica**

- is made of steel
- has two seats
- uses wooden skids for landing

**8. The Wright Brothers knew that success was based on**

- technology
- machinery
- skill
